Promoting the success of women in finance for over 50 years

The Financial Women's Association of San Francisco (FWA) is a professional women's organization founded in 1956—the first such organization in the country. We provide programming in three geographic areas: San Francisco, Silicon Valley and the East Bay. The FWA Scholarship Fund is an affiliated 501(c)(3) public charity that awards scholarships to promising women studying finance at Bay Area colleges and universities.

Mission

To promote the success of financial women.

FWA advances professionalism in finance and financial services by promoting the development, career progress and leadership of women.

We do this by:

- Providing a public forum for examination of important contemporary issues in business, finance, governmental policy and civic affairs.
- Providing a broad-based network of contacts for women in the field and encouraging camaraderie and cooperation.
- Gaining greater recognition for women's achievements in business.
- Providing professional development and leadership opportunities for women.
- Encouraging women to seek career opportunities in finance and business.
- Providing financial support to women studying for careers in finance through the FWA Scholarship Fund.
- Fostering a culture of diversity and inclusion in FWA's membership, leadership and activities.

Benefits

FWA serves its members in the following ways:

- **Industry Leaders Series:** featuring leading experts discussing topical finance-related issues. Examples include: global outsourcing, diversity in the boardroom, the power of institutional and private equity investors, microfinance and the multigenerational financial services market.
- **Professional Development Series:** featuring mentoring programs and seminars on areas of professional and personal interest. Examples include negotiation and communication skills, networking techniques and issues of leadership.
- **Networking Events:** including social mixers and other gatherings to allow financial women to enhance their networks of personal and professional relationships. FWA's Sponsor/ Member Career Networking event in 2009 will enable sponsors to introduce their organizations to a qualified group of finance professionals.
- **Financial Woman of the Year Event:** Launched in 1996 as a fundraiser for the FWA Scholarship Fund, this annual signature event honors a highly accomplished woman executive in finance and/or financial services. The 2009 event was generously underwritten last year by an array of sponsors listed at right. Since 1985, the Fund has awarded over \$1,500,000 in scholarship grants to more than 180 Bay Area women.
- **Access to Leaders:** FWA offers its members both online and offline directories to facilitate networking, providing access to some of the most accomplished women in the industry.
- **Job Postings:** Online, in a variety of finance and related fields.
- **Scholarships:** The FWASF Scholarship Fund provides graduate and undergraduate scholarships to San Francisco Bay Area women pursuing careers in the fields of finance or the financial services industry.
